| 20 | HD 8 (spare lead vocalist) | XLR | | in case of emergency:-) |
| 21 | Vocal | Own wireless | Comp | |
| 22 | Spare vocal | SM58 | Comp | |

We need 240V german schuko electric for backline, please!

Monitors:

We bring our own Wireless mono in-ear system for the lead singer (Shure UHF 800-814)

Four wedges in four groups, in bigger stages 5 wedges and 5 groups + sidefills.

We dont have own monitor engineer, so we need one english speaking engineer, please.

PA & FOH:

Professional and powerful sound system. Professional mixing desk with VCA groups.

At least 4 ch gates, 8 ch comps, tap-delay, 3 reverbs. Digital desks ok if the house engineer is very familiar with it.

One english speaking house engineer who knows the whole system, please!

Please, dont hesitate to contact me if something to ask!
